OBJECTIVE

Passionate about staying current with technology trends and continuously honing skills to align with advancements. Committed to contributing to organizational growth, enhancing performance, and driving innovation.

EDUCATION

SJB INSTITUTE OF TECHNOLOGY, VTU UNIVERSITY

Expected 2025

Bachelor of Engineering in Computer Science

Relevant Coursework: Software Engineering, Data Structures, Computer Networks, Operating Systems, DBMS, Algorithms, Artificial Intelligence, System Design

JNANA SWEEKAR PU COLLEGE

2019 - 2021

(Board: State, Percentage: 98/100)

SKILLS

Technical Skills Soft Skills C++, Python, JavaScript, Tailwind CSS, ReactJs, SQL, Django, Flask, Machine Learning. Communication, Leadership, Problem Solving, Time Management, Adaptability, Creativity.

EXPERIENCES

Full-Stack Intern

Indian Tech-Keys

Jun 2023 - Aug 2023 Bengaluru, IN

- Developed full-stack web applications, integrating front-end with back-end frameworks for seamless experiences.
- Engineered server-side logic using **Django** and optimized **SQL** queries for improved performance.
- Collaborated with teams to design and implement responsive web solutions across various devices and browsers.

Frontend Development Intern

Ethnotech Academic Solutions

Oct 2022 - Dec 2022 Bengaluru, IN

- Gained proficiency in Front-end skills through hands-on projects using HTML, CSS, and JavaScript.
- Engineered the proficiency in **JavaScript** to create dynamic and interactive web pages.
- Worked closely with UX/UI designers to translate prototypes into accessible web applications.

PROJECTS

AI powered Legal Documentation assistant: Developed an AI-powered solution using React, Tailwind CSS, Flask and PostgreSQL that can simplify legal documentation for individuals and small businesses in India, by automatically drafting legal documents in plain language. (Click here)

Responsive Personal Portfolio: Developed a responsive personal portfolio website featuring smooth scrolling and mobile compatibility. Using HTML, CSS and JavaScript. The portfolio showcases my projects, experiences, and skills, providing a user-friendly interface with interactive elements like scrolling animations and dynamic content. (Click here)

EXTRA-CURRICULAR ACTIVITIES

- Enthusiastic about reading technical articles and exploring the latest developed technologies. Passionate about learning new technologies and staying updated with the latest advancements.
- Actively exploring prompt engineering with a focus on real-world applications.
